

CSRS-Europe Research Grant (Supported by Medtronic Spine, Europe)

Outline Proposal Form:

Please note that only one application is allowed per research team each grant round. The principal applicant should be employed and hold a post in a European Hospital or University AND at least one of the applicant group should be a current member of the CSRS-Europe. Please read the guidelines for project grant applications on our website for further details of restrictions on applications. Please note that the principal applicants e-mail address will be used for all communication.

1. Details of principal applicant

Title and Name	
Institution	
Present position of Principal Applicant	
Contact address	
Telephone	
E-mail	

Details of collaborators

Co-applicants Titles and Names	
Institutions	

2. Title of project (maximum 25 words)

--

3. Briefly describe the aims of this project and describe how this project fits the remit of the CSRS-Europe (maximum 200 words)

4. Please describe the clinical relevance of this project and say how close it is to clinical application (maximum 200 words)

5. Outline your proposed research plan (maximum 800 words). You should describe the hypothesis to be tested and the methods of research to be used. The study design, analysis techniques as well as their interpretation should be described in sufficient detail for our advisors to understand what is proposed.

6. Length of project (in months)

7. Estimated costs

Salary	Consumables	Equipment	Total

8. Have you applied to another funding body in connection with the proposed research before? If so, please give the name of the body, reference number, date of application and outcome.

9. Do you have any grants from the CSRS-Europe that are currently active? If so, please give the reference number(s)

10. Have you previous working in this area of research? Please outline below together with any publications/presentation arising. (Maximum 200 words)

11. Have you obtained or applied for approval of this research project from your research ethics committee? A signed PDF copy of this agreement must be uploaded during the online application process, or alternatively if ethical approval is pending then the date on which the committee will meet must be provided. For projects *not* requiring ethical approval, a signed statement from the project supervisor/head of department, giving the reason why ethical approval is not considered necessary, must be uploaded (PDF format) during the online application process. If the Research Ethics Committee will not be able to accept applications for ethical review unless funding has been agreed, a signed statement to this effect must be uploaded (PDF format) during the online application process.

12. Please return the completed form and any other required or supporting PDF documents (please read the Research Grant Terms and Conditions Form) by e-mail to the administrative secretary of the CSRS-Europe.
